

Catalyst 2006 Presented by the BC Science Teachers' Association

"Inspiring Science"

**Telus Conference Center
Whistler, BC.
May 12-13, 2006**

Join us for an engaging professional development event amidst the inspiring setting of one of North America's top recreation resorts!

Keynote speaker:

Dr. JOE SCHWARCZ

of McGill University and Discovery's Daily Planet

JOE SCHWARCZ is one of North America's foremost educators and is the Director of McGill University's Office for Science and Society. He is also a professor in the chemistry department and teaches nutrition and alternative medicine in McGill's Medical School. Professor Schwarcz has received numerous awards including the Royal Society of Canada's McNeil Award and the American Chemical Society's prestigious Grady-Stack Award.

"Dr. Joe" appears on the Canadian Discovery Channel, TV Ontario, Global Television, CBC-TV, CTV-TV and various radio stations. His 4 books, *Radar*, *Hula Hoops and Playful Pigs*, *The Genie in the Bottle*, *That's The Way The Cookie Crumbles* and *Dr. Joe and What You Didn't Know* were all best-sellers.
